

EMIRATES NBD BANK (P.J.S.C.) INDIA BRANCHES

BALANCE SHEET AS AT 31 MARCH 2023

(Scheduled Commercial Bank)

INDEPENDENT AUDITOR'S REPORT

То

The Chief Executive Officer, Emirates NBD Bank (P.J.S.C.), India Branches

Report on audit of the Financial Statements

Opinion

- 1. We have audited the accompanying financial statements of **Emirates NBD Bank (P.J.S.C.)**, **India Branches** ('the Bank'), which comprise the Balance Sheet as at 31 March 2023, the Profit and Loss Account, the Cash Flow Statement for the year then ended, and notes to the financial statements including a summary of significant accounting policies and other explanatory information.
- 2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Banking Regulation Act, 1949 as well as the Companies Act, 2013 and circulars and guidelines issued by Reserve Bank of India ("RBI") in the manner so required for banking companies and are in conformity with accounting principles generally accepted in India and give a true and fair view of the state of affairs of the Bank as at 31 March 2023, and its profit and its cash flows for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs)specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Bank in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than financial statements and auditor's report thereon

- 4. The Bank's Management is responsible for the other information. The other information comprises information included in the Pillar 3 Disclosure under the New Capital Adequacy Framework (Basel III disclosures) but does not include the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover such other information and we do not express any form of assurance conclusion thereon.
- 5. Our responsibility in connection with the audit of the financial statements is to read the other information and in doing so, examine if the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. When we read this other information, if we conclude that there is material misstatement of this other information, we are required to communicate the matter to those charged with governance. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

- 6. The Bank's Management is responsible for the matters stated in section 134(5) of the Companies Act, 2013 with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Bank in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Companies Act, 2013, provisions of Section 29 of the Banking Regulation Act, 1949 and circulars and guidelines issued by the RBI from time to time as applicable to the Bank. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
- 7. In preparing the financial statements, Bank's Management is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Bank's Management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so. Bank's Management is also responsible for overseeing the Bank's financial reporting process.

Auditor's Responsibilities for the audit of the Financial Statements

- 8. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
- 9. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures
 responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a
 material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions,
 misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Undersection 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Bank has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Bank's Management.
 - Conclude on the appropriateness of Bank's Management use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements
 represent the underlying transactions and events in a manner that achieves fair presentation.

(Scheduled Commercial Bank)

10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- 11. The Balance Sheet and the Profit and Loss Account have been drawn up in accordance with the provisions of Section 29 of the Banking Regulation Act, 1949, Section 133 of the Companies Act, 2013, the circulars, guidelines and directions issued by the RBI from time to time and other accounting principles generally accepted in India.
- 12. As required by sub-section (3) of section 30 of the Banking Regulation Act, 1949, we report that:
 - (a) we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purpose of our audit and have found them to be satisfactory;
 - (b) the transactions of the Bank, which have come to our notice, have been within the powers of the Bank;
 - (c) Since the key operations of the Bank are automated with the key applications integrated to the core banking system, the audit is carried out centrally at Mumbai Office/Branch as all the necessary records and data required for the purposes of our audit are available therein. During the course of audit, we have visited one branch at Gurugram.
- 13. Further, as required by section 143(3) of the Act, we report that:
 - a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) in our opinion, proper books of account as required by law have been kept by the Bank so far as it appears from our examination of those books;
 - c) the Balance Sheet, the Profit and Loss Account and the Cash Flow Statement dealt with by this report are in agreement with the books of account;
 d) in our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013, to the extent they are not inconsistent with the accounting policies prescribed by RBI;
 - e) the requirements of section 164(2) of the Companies Act,2013 are not applicable considering the Bank is a branch of Emirates NBD Bank (P.J.S.C.), which is incorporated with limited liability in United Arab Emirates;
 - f) with respect to the adequacy of the internal financial controls over financial reporting of the Bank and the operating effectiveness of such controls, refer to our separate Report in "Annexure A";
 - g) with respect to the matter to be included in the Auditor's Report under section 197(16), the requirements of Section 197 of the Companies Act, 2013 are not applicable considering the Bank is a branch of Emirates NBD Bank (P.J.S.C.), which is incorporated with limited liability in United Arab Emirates.
 - with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. the Bank does not have any pending litigations which would impact its financial statements- Refer Schedule 12 and Note XXXIX of Schedule 18 to the financial statements;
 - ii. the Bank has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long term contracts including derivative contracts Refer Schedule 12 and Note XL(k) of Schedule 18 to the financial statements.
 - iii. there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Bank.
 - iv. i) the Management has represented that, to the best of its knowledge and belief, as disclosed in the Note XL(m) of Schedule 18 to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or any other sources or kind of funds) by the Bank to/or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Bank ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - ii) the Management has represented that, to the best of its knowledge, as disclosed in the Note XL(m) of Schedule 18 to the financial statements, no funds have been received by the Bank from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Bank shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - iii) Based on such audit procedures that we have considered reasonable and appropriate by us in the circumstances; nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) contain any material misstatement.
 - v. the requirements of section 123 of the Companies Act,2013 are not applicable considering the Bank is a branch of Emirates NBD Bank (P.J.S.C.), which is incorporated with limited liability in United Arab Emirates.
 - vi. as provisio to Rule 3 (1) of Companies (Accounts) Rule, 2014 for maintaining books of accounts using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Bank with effect from April 01, 2023; and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rule, 2014 is not applicable for the financial year ended March 31, 2023.

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF EMIRATES NBD BANK (P.J.S.C.), INDIA BRANCHES

(Referred to in paragraph 13(f) under 'Report on Other Legal and

Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013

1. We have audited the internal financial controls over financial reporting of **Emirates NBD Bank (P.J.S.C.), India Branches** ('the Bank') as at 31 March 2023 in conjunction with our audit of the standalone financial statements of the Bank for the year ended on that date.

Management's Responsibility for Internal Financial Controls over Financial Reporting

2. The Bank's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Bank considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('the ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Bank's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act. 2013.

Auditor's Responsibility

- 3. Our responsibility is to express an opinion on the Bank's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing ('the Standards'), issued by the ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013 to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
- 4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
- 5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Bank's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

6. A bank's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A bank's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the bank; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the bank are being made only in accordance with authorizations of Bank's Management; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the bank's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper Bank's Management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Bank has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2023, based on the internal control over financial reporting criteria established by the Bank considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

SCHEDULE 17: SIGNIFICANT ACCOUNTING POLICIES

1. BACKGROUND

The accompanying financial statements for the year ended 31 March 2023 comprise the accounts of the Indian Branches of Emirates NBD Bank P.J.S.C (referred to as 'the Bank') which is a banking company incorporated in UAE with limited liability. On 17 October 2016, the Bank's parent company, Emirates NBD Bank (P.J.S.C), received the approval of the Reserve Bank of India ('RBI') for opening the maiden Bank Branch within one year therefrom. The assets & liabilities of India Representative Office were transferred to the Bank with effect from 1 April 2017. The Bank has maintained the books of accounts and other books and papers in the electronic mode, periodic backup of which have been maintained on servers physically located outside of India. RBI approval is in place for hosting the servers from UAE. As at 31 March 2023, the Bank had three branches operating in India.

2. BASIS OF PREPARATION

The financial statements have been prepared in accordance with requirements prescribed under the Third Schedule (Form A and Form B) of the Banking Regulation Act, 1949. The accounting and reporting policies of the Bank used in the preparation of these financial statements conform to Generally Accepted Accounting Principles in India (Indian GAAP), the circulars and guidelines issued by the Reserve Bank of India (RBI) from time to time, Accounting Standards (AS) specified under section 133 of the Companies Act 2013, read together with Rule 7 of the Companies (Accounts) Rules 2014 and Companies (Accounting Standards) Amendment Rule, 2016 to the extent applicable and practices generally prevalent in the banking industry in India.

The Bank follows accrual method of accounting (except where otherwise stated) and historical cost convention.

3. USE OF ESTIMATES

The preparation of the financial statements requires the management to make estimates and assumptions that affect the reported amounts of assets, liabilities, (including contingent liabilities) as at the date of the financial statements, revenue and expense during the period. Although these estimates are based upon management best knowledge of current events and actions, actual results could differ from those estimates and any revision to accounting estimates and assumptions is recognised prospectively in current and future periods.

The financial statements are presented in Indian Rupee rounded off to the nearest thousand, unless otherwise stated.

4. SIGNIFICANT ACCOUNTING POLICIES

4.1. Investments

Classification

In accordance with RBI guidelines, all investments are classified into the following categories, based on the intent at the time of acquisition.

- Held to Maturity (HTM),
- Available for Sale (AFS) and
- Held for Trading (HFT)

Under each of these categories the investment portfolio is further classified in accordance with RBI disclosure guidelines into sub-categories of:

- Government securities,
- Other approved securities,

Emirates NBD Bank (PJSC), India Branches

(Scheduled Commercial Bank)

- Shares,
- Debentures and Bonds,Subsidiaries/Joint ventures and
- Subsidiaries/Jo
 Others.

Shifting, if any between the categories is done in accordance with RBI guidelines.

The Bank follows settlement date method for accounting of its investments.

Acquisition Cost

In determining the cost of investment,

- Brokerage, commission, etc. paid at the time of purchase/sale is charged to the Profit & Loss Account.
- Broken period interest paid at the time of acquisition of the security is charged to the Profit & Loss Account.
- Cost of investments is based on First in First out method.

Valuation

- Investments held under the AFS and HFT categories are marked to market periodically at the price as declared by Primary Dealers Association
 of India jointly with Fixed Income Money Market and Derivatives Association ("FIIMDA")/ Financial Benchmark India Private Limited ('FBIL'),
 periodically. Securities are valued scrip-wise and depreciation/ appreciation is aggregated for each sub-category. Net depreciation, if any, is
 provided for and net appreciation, if any, is ignored. Net depreciation required to be provided for in any one sub-category is not reduced on
 account of net appreciation in any other sub-category. Consequent to revaluation, the book value of the individual security is not changed.
- Treasury Bills, Foreign Sovereign Securities US Treasury Bill and Commercial Papers being discounted instruments are valued at carrying cost.
- Investment held under the HTM category are carried at their acquisition cost and any premium over the face value, paid on acquisition, is amortized
 on a straight line basis over the remaining period to maturity. Where in the opinion of the management, a diminution other than temporary in the
 value of investments held under HTM has taken place, suitable provisions are made.
- Non-performing investments are identified and depreciation / provision are made thereon based on the RBI guidelines. Based
 on management assessment of impairment, the Bank may additionally create provision over and above the RBI guidelines.
 The depreciation / provision on such non-performing investments is not set off against the appreciation in respect of other
 performing securities. Interest on non-performing investments is not recognized in the Profit and Loss account until received.

Disposal of Investments

Profit/Loss on sale of investments under the aforesaid three categories are taken to the Profit & Loss account. The profit, if any, from sale of investments under HTM category, net of taxes and transfers to statutory reserve is subsequently appropriated to "Capital Reserve".

Repurchase (Repo) and Reverse Repurchase Transactions

Repo and Reverse Repo transactions, including Liquidity Adjustment Facility (LAF) term repo with RBI are considered as collateralised lending and borrowing transactions.

The balance in Reverse Repo Account (excluding LAF) with original tenor of 14 days or less are classified under Schedule 7 (Balance with Banks and Money at call & short notice) and corporate Reverse Repos with original tenor of 14 days or less are classified under Schedule 11 (Other Assets). Reverse Repos (excluding LAF) with original maturity more than 14 days but up to 1 year are classified as Cash Credits, overdrafts and loans repayable on demand under Schedule 9 (Advances). Reverse Repos with original maturity with more than one year are classified as Term Loans under Schedule 9 (Advances).

Costs thereon are accounted for as interest expense and Revenues thereon are accounted as interest income.

Investment Reserve Account ("IRA")

In accordance with the RBI's Master Circular DBR No.BP.BC.6/21.04.141/2015-16 dated July 01, 2015, and FIMCIR/2017-18/001 dated April 03, 2017, any reversal of provision on account of depreciation in the HFT and AFS categories in excess of the required amount in any financial year is credited to the Profit & Loss Account and an equivalent amount (net of taxes if any and net of transfer to Statutory Reserve) is appropriated to an IRA shown under Reserves and Surplus in Schedule 2. IRA is utilized on an event of provision creation on account of depreciation in HFT and AFS categories by debiting to the Profit and Loss Account and an equivalent amount (net of tax benefit, if any, and net of consequent reduction in the transfer to Statutory Reserve), is transferred from the IRA to the P&L Account.

Investment Fluctuation Reserve ("IFR")

In Accordance with the RBI circular DBR.No.BP.BC.102/21.04.048/2017-18 dated April 02, 2018 requires Banks to maintain adequate IFR to protect against increase in yields in future with effect from financial year end March 31, 2019. The amount to be transferred to IFR should not be less than the lower of the (a) net profit on sale of investments during the year (b) net profit for the year less mandatory appropriations, until the amount of IFR is at least 2 percent of the HFT and AFS portfolio, on a continuing basis and shown under Reserves and Surplus in Schedule 2.

4.2. Advances

Advances are classified as performing and non-performing based on extant prudential norms for income recognition, asset classification and provisioning issued by RBI.

Specific loan loss provisions in respect of Non-Performing Advances (NPAs) are made on the basis of the provisioning requirements under the prudential norms as laid down by the RBI, and is deducted from advances. Further any additional provisions are based on management's assessment of the degree of impairment of advances.

The Bank maintains general provision for standard assets including positive mark to market on outstanding derivative contracts (including spot maturities) as stipulated by RBI. The provision for standard assets is included in Schedule 5 under Other Liabilities.

In addition to the provisions required according to the asset classification status, provisioning is done for individual country exposures (other than for home country exposure). Countries are classified into risk categories as per Export Credit Guarantee Corporation guidelines and provisioning is done as per RBI guidelines in respect of countries' where the net funded exposure is one percent or more of the Bank's total assets and included under 'Other Liabilities and Provisions'.

For entities with Unhedged Foreign Currency Exposure (UFCE), provision is made in accordance with the guidelines issued by RBI, which requires to ascertain the amount of UFCE, estimate the extent of likely loss and estimate the riskiness of un-hedged position. This provision is classified under Schedule-5 Other Liabilities in the balance sheet.

4.3. Fixed Assets and Depreciation

Fixed assets are stated at historical cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Gains or losses arising from derecognizing of fixed assets are measured as the difference between the net disposal proceeds and the carrying

Emirates NBD Bank (PJSC), India Branches

(Scheduled Commercial Bank)

amount of the asset and are recognized in the profit and loss account when the asset is derecognized.

Depreciation on fixed assets is provided as per the straight-line method from the month of addition over the estimated useful lives of the asset as prescribed under part "C" of schedule II of the Companies Act, 2013 or as per RBI guidelines or as estimated by the management.

The useful life marked with *below are different than those specified under Schedule II of the Companies Act, 2013 based on Management estimate. The management believes that useful life of Fixed Asset currently considered for the purpose of depreciation fairly reflects its estimate of useful lives and residual value of fixed assets.

The management has estimated, assessed and has used the following useful lives to provide depreciation on its fixed assets:

| Asset Category | Useful lives estimated by the management (years) |
|---------------------------------------|--|
| Equipment | 5 years |
| Computers Hardware(excluding PC) | 4 years |
| PC And Laptop | 3 years |
| Computer Software | 4 years |
| Computer Software – Strategic Assets* | 7 years |
| Furniture and fixtures | 5 years |
| Bank Vehicles | 3 years |
| Leasehold Improvements | Over the life of the lease |

Depreciation on assets sold during the year is charged to the profit and loss account up to the month immediately preceding the date of sale.

Assets other than Furniture and Leasehold Improvements costing less than INR 175,000 (AED 10,000) individually are fully charged to the Profit & Loss Account in the year of purchase. If an asset (value < INR 175,000) is an integral part of a larger system it will be capitalised as a component of that system. Computer Software other than Strategic Assets costing between INR 175,000 (AED 10,000) and INR 6,500,000 (AED 350,000) have been depreciated at 100% in the year of purchase.

4.4. Impairment of Assets

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized whenever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is greater of asset's net selling price and value in use. After impairment, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.

4.5. Foreign Exchange Transactions

Monetary foreign currency assets and liabilities outstanding at the Balance Sheet date are translated to Indian Rupees at spot rates notified by the Foreign Exchange Dealers Association of India ('FEDAI'). All profits/losses resulting from the year end revaluations are recognised in the Profit & Loss Account.

Income and expenses are translated to Indian Rupees at the rates prevailing on the date of the transactions.

Outstanding forward exchange contracts and spot exchange contracts are revalued at year end exchange rates notified by FEDAI for specified maturities and at interpolated rates for contract of interim maturities. The resulting gains or losses on revaluation are included in the Profit & Loss Account in accordance with RBI/FEDAI guidelines. The net unrealised profits or losses are reflected in the Balance Sheet under Other Assets or Other Liabilities respectively.

Contingent liabilities on account of foreign exchange contracts, guarantees, acceptances, endorsements and other obligations denominated in foreign currencies are disclosed in Indian Rupees at spot rates of exchange notified by FEDAI as at the reporting date.

4.6. Employee benefits

Gratuity

The Bank has a defined benefit plan for post-employment benefit in the form of gratuity for all its employees. In terms of the revised Accounting Standard-15 on Retirement Benefits, the Bank has made a provision towards Gratuity based on an actuarial valuation done by an independent actuary as at the year end, using the Projected Unit Credit Method. The Gratuity plan is not funded by the Bank. Actuarial gains and losses are recognized in full in the period in which they occur in the Profit and Loss Account.

Provident Fund

Retirement benefit in the form of provident fund is a defined contribution scheme. These contributions are accounted for on an accrual basis and recognised in Profit & Loss Account, for the year when the contributions are due. The Bank has no obligation, other than the contribution payable to the provident fund.

Leave Salary

The Bank does not have a policy of encashing unavailed leaves, except at the time of separation of an eligible employee. The Bank makes a provision for accrued compensated absences based on actuarial valuation as carried out by an independent actuary, using the Projected Unit Credit Method at the year-end. Actuarial gains/losses are immediately taken to the profit and loss account and are not deferred.

4.7. Lease Accounting

Leases where the lessor effectively retains substantially all the risks and benefits of ownership over the lease term are classified as operating leases. Lease payments for assets taken on operating lease are recognized as an expense in the Profit and Loss Account on a straight-line basis over the lease term.

4.8. Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Bank and the revenue can be reliably measured. Interest income is recognized in the Profit & Loss Account on an accrual basis, except in the case of non-performing assets where it is recognized upon realization as per RBI norms.

Commission on Guarantees and Letter of Credits is recognised over the term of the contract whereas Loan Processing Fees are recognised upfront. Fees for services are recognized at the time the services are rendered and a binding obligation to receive the fees has arisen.

Income on discounted instruments is recognized over the tenure of the instrument on a straight line basis.

Fees for purchase or sale of Priority Sector Lending Certificate are recognized in accordance with the RBI guidelines.

4.9. Derivatives

The Bank enters into derivative contracts such as foreign exchange contracts, coupon only swaps, cross currency interest rate swaps and foreign

Emirates NBD Bank (PJSC), India Branches

(Scheduled Commercial Bank)

exchange option forward contracts.

These derivatives are part of the Trading book and recognised at fair value. The resultant gain/loss is recorded in the Profit & Loss Account, while the corresponding unrealised gain/ loss are reflected in the Balance Sheet under the head Other Assets / Other Liabilities. The notional values of these contracts are recorded as Contingent Liabilities.

The Bank maintains a provision on standard derivative exposure at rates prescribed by RBI.

All outstanding derivatives transactions are booked as Off-Balance Sheet Items and Marked to Market.

4.10. Taxation

Income tax comprises current tax provision and the net change in the deferred tax asset or liability in the year.

Deferred tax assets and liabilities arising on account of timing differences are recognised in the Profit & Loss Account and the cumulative effect thereof is reflected in the Balance Sheet. Deferred tax assets and liabilities are measured using the enacted or substantially enacted tax rates at the balance sheet date. The effect on deferred tax assets and liabilities of a change in tax rates is recognised in the Profit & Loss Account in the period of change.

Deferred tax assets are recognized only to the extent there is reasonable certainty that the assets can be realized in future, except in case of unabsorbed depreciation or carried forward loss under taxation laws which are recognized only to the extent that there is virtual certainty of realization of such assets.

Deferred tax assets are reviewed and reassessed at each balance sheet date and appropriately adjusted to reflect the amount that is reasonably / virtually certain to be realized.

4.11. Cash & Cash equivalents

Cash and cash equivalents include cash in hand, balances with RBI, balances with other banks/ institutions and money at call and short notice (including the effect of changes in exchange rates on cash and Cash equivalents in foreign currency.

4.12. Accounting for Provisions, Contingent Liabilities and Contingent Assets

In Accordance with AS - 29 relating to Provisions, Contingent Liabilities and Contingent Assets, the Bank recognizes provisions only when it has a present obligation as a result of a past event that requires that an outflow of resources embodying economic benefits will be required to settle the obligation and when a reliable estimate can be made of the amount of the obligation.

No provision is recognized and a disclosure of contingent liability is made when:

- there is a possible obligation that may arise from past events and the existence of which will be confirmed only by the occurrence or nonoccurrence of one or more uncertain future events which are not wholly within the control of the Bank; or
- any present obligation that arises from past events where it is not probable that an outflow of resources embodying economic benefits will be
 required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made. Such obligations are assessed continually
 and only that part of the obligation for which an outflow of resources embodying economic benefits is provided for except in the
 extremely rare circumstances where no reliable estimate can be made.

Provisions are reviewed at each Balance Sheet date and adjusted to reflect the current best estimate.

Contingent assets are not recognised in the financial statements.

SCHEDULE 18: NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH 2023

1. STATUTORY DISCLOSURES IN TERMS OF RBI GUIDELINES ARE AS UNDER:

I. CAPITAL

Capital includes start-up (assigned) capital brought in as per Reserve Bank of India Master Circular RBI/2013-14/77 DBOD.No. BAPD.BC.7/22.01.001/2014-15 dated July 1, 2014 and amount taken over from erstwhile Representative Office of Emirates NBD Bank (P.J.S.C) in India on 1st April 2017 INR 103,658 (in '000s).

Credit Risk is calculated using Standardized approach, Operational Risk is calculated using the Basic Indicator Approach and Market Risk is computed using standardized duration method in accordance with RBI guidelines with minimum capital requirement being expressed in terms of two specific charges - Specific Market Risk and General Market Risk. The CRAR as per BASEL III is
(IND) is (2000)

| Over 5 Years | - | 499,525 | - | - | 378,964 | - |
| Total | 25,025,477 | 12,933,134 | 15,531,372 | 7,407,381 | 15,525,258 | 1,650,528 |

*Investments are shown at gross basis

In computing the above information, certain estimates and assumptions have been made by the Bank's management and which have been relied upon by the Auditors.

Classification of assets and liabilities under the different maturity buckets are compiled by management (on gross basis) based on the guidelines issued by the RBI and are based on the same assumptions as used by the Bank for compiling the returns submitted to RBI and which have been relied upon by the auditors.

IV. LIQUIDITY COVERAGE RATIO

The bank has been calculating the Liquidity Coverage Ratio (LCR) on a daily basis excluding non-working days. The daily average LCR maintained for the quarter ended 31st March 2023 was 294.84%.

The following table sets forth the daily average unweighted and weighted value of LCR of the Bank for quarters ended 30th June 2022, 30th September 2022, 31st December 2022 and 31st March 2023.

Qualitative disclosure around LCR:

Refer LCR Circular for Disclosure Requirements hereunder

(a) Drivers of LCR results and Composition of HQLA: The LCR standard aims to ensure that a bank maintains adequate level of unencumbered HQLA that can be converted into cash to meet its liquidity needs for a 30-calendar daytime horizon under significantly severe liquidity stress scenario as specified by supervisors. The Bank's High Quality Liquid Assets (HQLA) primarily consist of excess SLR securities in the form of Government securities including T-Bills, and State Development Loans, Securities issued by Foreign Sovereign in the form of T-Bills, Standing Deposit Facility with RBI, FALLCR (as applicable from time to time), MSF (as applicable from time to time), balance maintained with RBI in excess of CRR requirement which are considered as Level 1 High Quality Liquid Assets (HQLA). Bank also has investments in Commercial paper issued by Financial Institutions (FI) & Corporates. Commercial Papers issued by FI & Corporates are considered as HQLA Level 2 (B) Asset for LCR computation.

The minimum applicable LCR requirement for the reporting period is 100%. The LCR maintained has always been above the RBI limit. The intra period changes are mainly on account of change in un-encumbered excess SLR positions.

(b) Derivative Exposure and potential collateral calls: MTM arising out of outstanding FX has been appropriately considered LCR computation.

- (c) Currency mismatches: LCR computation is aggregated across currencies, INR being the predominant currency. Other than INR, the Bank has major exposure in US dollars as there are pre and post shipment loans booked in dollars. These loans are funded through US dollar borrowing from the head office for matching portfolio.
- (d) Degree of centralisation of liquidity management: Bank's liquidity management and monitoring is centralised. Bank's EXCO has adopted liquidity management policy in line with RBI regulation and Group requirement.
- (e) Other inflows and outflows in the LCR calculation that are not captured in the LCR common template but which the institution considers to be relevant for its liquidity profile: All the inflows and outflows considered necessary from the balance sheet are captured in computation of LCR.

V. NET STABLE FUNDING RATIO (NSFR)

Quantitative Disclosure: The following table sets out unweighted and weighted value of NSFR components for the Quarter ended 31st March 2023, 31st December 2022, 30th September 2022, and 30th June 2022.

| 32 | Net Stable Funding Ratio (%) | | | | | 189% | | | | | 188% | |

The RBI basis the circular titled "Basel III Framework on Liquidity Standards – Net Stable Funding Ratio (NSFR) – Final Guidelines" released on May 17, 2018 (DBR.BP.BC.No.106/21.04.098/2017-18) & Master circular on Disclosure in Financial Statements - Notes to Accounts has advised banks to measure and report NSFR.

The NSFR guidelines aims to ensure reduction in funding risk over a longer time horizon by requiring banks to fund their activities with sufficiently stable sources of funding in order to mitigate the risk of future funding stress

NSFR = (Available Stable Funding (ASF) = 100%

(Required Stable Funding (RSF)

As per the RBI guidelines, the above ratio of NSFR should be equal to at least 100% on an ongoing basis.

The Available Stable Funding (ASF) is primarily driven by the total regulatory Capital before the regulatory adjustments/deductions as per Basel III Capital Adequacy guidelines stipulated by RBI and funding from corporate customers. Under the Required Stable Funding (RSF), the primary drivers are unencumbered performing loans with residual maturities of less than six months for the quarter ended 31 March 2023.

b. Risk Category Wise Country Exposure

Provision for country risk exposure in line with RBI guidelines is as follows:

| Risk Category | Exposure (net) as at 31 March 2023 | Provision held as at 31 March 2023 | Exposure (net) as at 31 March 2022 | Provision held as at 31 March 2022 | | |
|-----------------|---------------------------------------|---------------------------------------|---------------------------------------|---------------------------------------|--|--|
| Insignificant | 1,756,056 | 1,083 | 111,851 | - | | |
| Low | 6,795,833 | 4,246 | 12,009,549 | 12,960 | | |
| Moderately Low | 3,906,823 | 104,549 | - | - | | |
| Moderate | 887,353 | 42,398 | 551,923 | 27,147 | | |
| Moderately High | 5,728 | - | - | - | | |
| High | - | - | - | - | | |
| Very High | - | - | - | - | | |
| TOTAL | 13,351,793 | 152,276 | 12,673,323 | 40,107 | | |

Note:

1. Exposures computed on a net basis i.e., gross exposure 'minus' for cash collaterals, bank guarantees and credit insurance available in/ issued by countries in a lower risk category than the country on which exposure is assumed.

2. Net Exposure is excluding provisions held.

XIX. UNSECURED ADVANCES AGAINST INTANGIBLE SECURITIES:

There were no advances granted against Intangible Securities such as charge over the rights, licenses, authority (excluding Guarantees/ SBLC), etc. during the year. (FY 2021-22 - Nil)

Emirates NBD Bank (PJSC), India Branches

(Scheduled Commercial Bank)

XX FACTORING EXPOSURES

The bank has factoring exposure of INR 412,716 (in '000s) as at March 31, 2023 (March 31, 2022 - INR 306,505 (in '000s)) included in Schedule 9(A) (i) - Bills Purchased and Discounted.

XXI. INTRA GROUP EXPOSURE

Intra-Group Exposures as on 31st March, 2023 is INR 486,515 (in '000s) (31st March, 2022 - INR 274,842 in '000s).

The intra-group exposure comprises of Bank's transactions and exposures to the entities belonging to the bank's own group (group entities). The Bank's exposure to their Head Office and overseas branches of the parent bank, except for proprietary derivative transactions undertaken with them, are excluded from intra-group exposure.

- Total amount of intra-group exposures INR 486,515 (in '000s) (Previous year INR 274,842 in '000s). a.
- b. Total amount of top-20 intra-group exposures - INR 486,515 (Previous year INR 274,842).
- Percentage of intra-group exposures to total exposure of the bank on borrowers / customers -0.60% (Previous year 0.47%). C.
- Details of breach of limits on intra-group exposures and regulatory action thereon, if any NIL (Previous year Nil) d

XXII.UNHEDGED FOREIGN CURRENCY EXPOSURE

The Bank monitors Unhedged Foreign Currency Exposure (UHFCE) to factor the risk arising from currency volatility into pricing as per the guidelines stipulated by RBI on 15 January 2014. At the time of assessing the proposal the Bank takes the position of UHFCE for new borrowers and calculates the incremental provisioning and capital requirement to adjust the pricing of new loans. Thereafter based on the certificate provided by the customer, the Bank calculates the incremental provisioning and capital requirement for customer every quarter as per the methodology suggested as per RBI circular. Provision made / (reversed) towards UHFCE for the year ended 31st March, 2023 is INR 1,621 (in '000s) (31st March, 2022 - (8,615) (in '000s)).

The incremental provision and capital held by the Bank towards this risk, included in the Banks' financials are as under:

(INR in '000s) Particulars 2022-23 2021-22 Provisioning requirement for UHFCE 1,924 303 Additional RWA on account of UHFCE 60.138 9.478 **Capital Requirement** 6,916 1,090

XXIII. CONCENTRATION OF DEPOSITS, ADVANCES, EXPOSURES AND NPAS

a. Concentration of Deposits

| | | () |
|--|------------|----------------|
| Particulars | 2022-23 | 2021-22 |
| Total deposits of twenty largest depositors | 29,553,217 | 13,053,628 |
| Percentage of deposits of twenty largest depositors to total deposits of the bank (includes inter-bank deposits) | 89.32% | 84.05% |
| b. Concentration of Advances** | | (INR in '000s) |
| | | |

| Particulars | 2022-23 | 2021-22 |
|--|------------|------------|
| Total advances of twenty largest borrowers* | 41,962,037 | 30,950,870 |
| Percentage of advances of twenty largest borrowers to total advances of the bank | 76.36% | 78.64% |

* including interbank exposures.

** Advances are computed as per definition of Credit Exposure including derivatives furnished in Master Circular of Exposure norms.

c Concentration of Exposures®

| | | (11111110000) |
|---|------------|---------------|
| Particulars | 2022-23 | 2021-22 |
| Total exposure to twenty largest borrowers/customers* | 42,709,941 | 31,284,203 |
| Percentage of exposure to twenty largest borrowers/customers to total exposure of the bank on borrowers/ customers | 73.39% | 76.47% |

* including interbank exposures.

@Exposures are computed based on Credit and Investment Exposure furnished in Master Circular of Exposure Norms.

d. Concentration of NPAs

| d. Concentration of NPAs | | (INR in '000s) |
|---|---------|----------------|
| Particulars | 2022-23 | 2021-22 |
| Total Exposure to the top twenty NPA accounts | - | - |
| Percentage of exposures to the twenty largest NPA exposure to total Gross NPAs. | 0.00% | 0.00% |

XXIV. DERIVATIVES

a. Forward Rate Agreement/Interest rate Swaps outstanding:

Update on IND AS Implementation f.

The RBI has issued a circular applicable to all commercial banks (RBI/2015-16/315 DBR.BP.BC. No.76/21.07.001/2015-16 dated February 11, 2016) on Implementation of Indian Accounting Standards (IND AS). IND AS was required to be fully implemented from April 01, 2018 onwards with comparatives required for periods beginning April 01, 2017, subsequently this was deferred for one year by RBI vide their press release dated April 05, 2018 on "Statement on Developmental & Regulatory Policies".

In FY 2018-19 RBI has deferred the IND AS implementation again as per RBI Circular No. RBI/2018- 2019/146 DBR.BP.BC.No.29/21.07.001/2018-19 dated March 22, 2019 until further notice.

However, RBI requires all banks to submit Proforma Ind AS financial statements every half year. Accordingly, the Bank is preparing and submitting to RBI Proforma Ind-AS financial statements every half year. Bank has submitted Proforma Ind-AS financial statements for half year ended September 2022 and March 2023 on 29 November 2022 and 31 May 2023 respectively.

|---|--|-----------|
| Discount Rate | 7.30% | 6.90% |
| Salary Escalation Rate – Junior Level Mid-Level & above | 10% 7% | 10% 7% |
| Mortality Rate | Indian Assured Live Mortality (2006-08) | |
| Attrition Rate | 5% | 5% |
| Return on Plan Asset | - | - |

(Scheduled Commercial Bank)

The above assumptions are considered for determining actuarial liability under Gratuity & Leave Encashment. Liability towards Leave Encashment and Gratuity are non-funded.

e. National Pension Scheme

The Bank has contributed INR 3,874 (in '000s) for the year ended 31st March, 2023 (31st March, 2022 – INR 4,031 (in '000s)) to NPS for employees who had opted for the scheme. The bank has no liability for future fund benefits other than its annual contribution for the employees who agree to contribute to the scheme.

XXXIII.SEGMENT REPORTING (ACCOUNTING STANDARD -17)

- a) The Bank in India operates as a single unit and there are no identifiable geographical segments.
- b) The Bank has classified its business into the following segments, namely:
 - Treasury primarily comprising of forex, bonds, government securities and derivatives activities.
 - Wholesale / Corporate Banking comprising of Corporate Banking and Trade Finance and Corporate Deposits.
 - Other Banking operations comprising of Other Deposits and all other Banking operations, which are not included under above segments
 - Unallocated segments, income, expense, assets and liabilities include items which are not allocable to other segments.
- c) Vide its circular dated April 7, 2022 on establishment of Digital Banking Units (DBUs), the RBI has prescribed reporting of Digital Banking Segment in case of Domestic Scheduled Commercial Bank (SCB) as a sub-segment of Retail Banking segment. The Bank is a Foreign SCB In India and has also not opened any DBU, hence reporting requirements under DBU is not applicable.

(INR in '000s)

XXXVIII. IMPAIRMENT OF ASSETS (ACCOUNTING STANDARD - 28)

Fixed assets acquired by the bank, are treated as 'Corporate Assets' and are not Cash Generating Unit as defined by AS-28. In the opinion of the management of the Bank, there is no impairment of any of the fixed assets of the Bank.

XXXIX.PROVISIONS, CONTINGENT LIABILITIES AND ASSETS (ACCOUNTING STANDARD - 29)

Description of Contingent Liabilities

Claims against the Bank not acknowledged as debt

This represents legal claims filed against the Bank in its normal course of business and tax claims / demands raised by the Income Tax authorities, which are disputed by the Bank. The Bank is a party to various taxation matters in respect of which appeals are pending. This is being disputed by the Bank and not provided for.

Liability on account of forward exchange and derivative contracts

The Bank currently enters into derivative contracts such as foreign exchange contracts, cross currency coupon only swaps and foreign exchange options on its own account and for customers. The notional amounts that are recorded as contingent liabilities form the basis for the calculation of the interest component on the contracts where applicable.

Guarantees given on behalf of constituents, Acceptances, Endorsements and other obligations

As a part of its normal banking activities, the Bank issues documentary credit and guarantees on behalf of its customers.

Other items for which the Bank is contingently liable

The Bank is a party to various taxation matters in respect of which appeals are pending. This is being disputed by the Bank and not provided for.

This also includes contingent liability corresponding to amount transferred to Depositor Education and Awareness Fund which is NIL.

Capital commitment has been also included as part of the Contingent Liability.

XL. MISCELLANEOUS DISCLOSURES

a. Disclosure on Large Exposure Framework (LEF):

As per regulatory guidelines, with effect from April 1, 2019, in case of single counterparty, the sum of all the exposure values of a bank to a single counterparty must not be higher than 20 percent of the bank's available eligible capital base at all times. In exceptional cases, Board of bank may allow an additional 5 percent exposure of the bank's available eligible capital base. In case of group of connected counterparties, the sum of all the exposure values of a bank to a group of connected counterparties must not be higher than 25 percent of the bank's available eligible capital base at all times.

The eligible capital base for this purpose is the effective amount of Tier 1 capital fulfilling the criteria defined in Master Circular on Basel III – Capital Regulation / Master Direction on 'Basel III Capital Regulations' as per the last audited balance sheet.

During the current year, there are no instances of breach in LEF. (Previous Year - NIL)

(Scheduled Commercial Bank)

b. Non-Performing Assets (Mark to Market on Derivative deals)

As per the guidelines issued by RBI vide notification DBOD.No.BP.BC.28/21.04.157/2011-12 dated August 11, 2011, Crystallized Receivables – Positive MTM on terminated derivative deals overdue for more than 90 days have been reported under "Schedule 11- Other Assets" after netting of the "Suspense crystallized receivables". The Gross value of crystallized receivables as on March 31, 2023 is Nil (Previous year: -Nil) and the Net value is Nil (Previous year: Nil).

c. Details of Non-Performing financial assets purchased/sold

During the year, the Bank has not purchased or sold Non-Performing Financial Assets (FY 2021-22 - Nil).

d. Provision towards Standard Assets

| | | (INR in '000s) |
|--|---------|----------------|

f. Other Miscellaneous Income

| Income in excess of 1% of Total Income forming part of Miscellaneous Income in Schedule 14 | (INR in '000s) | |
|--|----------------|---------|
| Particulars | 2022-23 | 2021-22 |
| Income on Insourcing activities | 66,507 | 27,851 |
| Processing Fees | 36,859 | 20,760 |
| Origination Fees on Bond Deals | 19,687 | 32,417 |

g. Other Assets & Other Liabilities

i.

There are no material items exceeding 1% of Total Assets under the Schedule 5(VI)-Other Liabilities and Provisions-"Others (including provisions)" or Schedule 11(VI)-Other Assets-"Others" and as such no disclosure towards the same is done.

There are no Non-banking assets acquired in satisfaction of claims during the year. (Previous Year - NIL)

h. Disclosure of Letters Of Comfort (LOCs) issued by Banks

The Bank has not issued any Letter of Comfort (LOC) / Letters of Undertaking (LoUs) during the FY 2022-23. (FY 2021-22 - Nil).

Disclosure under Micro, Small and Medium Enterprises Development Act, 2006 (MSMED, Act 2006)

| Particulars | March 31, 2023 | March 31, 2022 |
|---|----------------|----------------|
| The principal amount and the interest due thereon remaining unpaid to any supplier as at the end of each accounting year | | |
| Principal amount due to micro and small enterprises | - | - |
| Interest due on above | - | - |
| The amount of interest paid by the buyer in terms of section 16 of the MSMED Act 2006 along with the amounts of the payment made to the supplier beyond the appointed day during each accounting year | - | - |
| The amount of interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the year) but without adding the interest specified under the MSMED Act 2006. | - | - |
| The amount of interest accrued and remaining unpaid at the end of each accounting year | - | - |
| The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of the MSMED Act 2006 | - | - |

There are no delays in payments to micro and small enterprises as required to be disclosed under The Micro, Small and Medium Enterprises Development Act, 2006. The determination has been made to the extent such parties were identified based on the information available. This has been relied upon by the auditors.

j. Corporate Social Responsibility (CSR)

As per the provisions of Section 135 of the Companies Act, 2013, the Bank is required to spend towards CSR in the current year. The details of CSR expenditure are given below:

Gross amount required to be spent by the company during the year INR 8,200 (in '000s) (Previous year INR 5,602) (in '000s)

Amount approved by the Board/Head Office to be spent during the year INR 8,200 (in '000s) (Previous year INR 5,602) (in '000s)

Amount spent during the year ended

No amount relating to CSR activities was contributed to any related party of the Bank (Previous year-NIL)

The bank has not entered into any contractual obligation with respect to a CSR liability, hence no provision required (Previous year-NIL).

k. Provision for Long Term Contracts

The Bank has a process whereby periodically all long term contracts (including derivative contracts) are assessed for material foreseeable losses. At the year end, the Bank has reviewed and recorded adequate provision as required under any law / accounting standards for material foreseeable losses on such long term contracts (including derivative contracts) in the books of account and disclosed the same under the relevant notes in the financial statements.

Sexual Harassment of Women at Workplace I.

The bank has received no complaints for its disposal under the provisions of "The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

m. Rule 11 (e) compliance

The Bank, as part of its normal banking business, grants loans and advances, makes investment, provides guarantees to and accept deposits and borrowings from its customers, other entities and persons. These transactions are part of Bank's normal banking business, which is conducted ensuring adherence to all regulatory requirements.

Given the nature and background of transactions explained above, no funds have been advanced or loaned or invested (either from borrowed funds or any other sources or kind of funds) by the Bank to or in any other persons or entities, including foreign entities ("Intermediaries") with the understanding, whether recorded in writing or otherwise, that the Intermediary shall lend or invest in party identified by or on behalf of the Bank (Ultimate Beneficiaries) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

The Bank has also not received any fund from any person(s) or entitie(s), including foreign entities (Funding Parties) with the understanding, whether recorded in writing or otherwise, that the Bank shall whether, directly or indirectly lend or invest in other persons or entities identified by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

Transfer Pricing

The Bank has a comprehensive system of maintenance of information and documents as required by the Transfer Pricing legislation. Since the law requires existence of such information and documentation to be contemporaneous in nature, the Bank appoints independent consultants for conducting a Transfer Pricing Study to determine whether the transactions with associate enterprises are undertaken, during the financial year, on an "arm's length basis." Adjustments, if any, arising from the transfer pricing shall be accounted for upon results of said study for the year. However, the management is of the opinion that its international transactions are at arm's length so that the aforesaid legislation will not have any impact on the financial statements, particularly on the amount of tax expenses and that of provision for taxation.

Previous Year's Comparative ο.

Previous year's figures have been regrouped / reclassified, wherever considered necessary, in order to make them comparable with figures for the current vear.

The previous year's comparatives were compiled by Khimji Kunverji & Co LLP.

BASEL III DISCLOSURES OF THE INDIA BRANCH FOR THE YEAR ENDED 31 MARCH 2023

All amts. in INR. '000s, unless otherwise stated

DF 1. SCOPE OF APPLICATION

1. Qualitative and Quantitative Disclosures

The Bank is subject to the capital adequacy guidelines stipulated by Reserve Bank of India (RBI), which are based on the framework of the Basel Committee on Banking Supervision. As per Basel III guidelines, the Bank is required to achieve a minimum Capital to Risk Weighted Assets Ratio (CRAR) of 9% {11.5% including Capital Conservation Buffer (CCB)}, with minimum Common Equity Tier I (CET1) of 5.5% (8% including CCB) by 31st March 2019. These guidelines on Basel III were to be implemented by banks from 1st April 2013 in a phased manner.

The minimum capital required to be maintained by the Bank for the year ended 31st March 2023 is 9% (11.5% including CCB) with minimum Common Equity Tier 1 (CET1) of 5.5% (8% including CCB). The risk management framework of Indian operations is integrated with the Bank's strategy and business planning processes at global level. The Bank has comprehensive risk management framework to monitor, evaluate and manage the principal risks assumed in conducting its activities. The risk management function in India is as per directives and framework set out at Head Office level. As at 31 March 2023, the Bank does not have any investment in subsidiaries/Joint Ventures and Associates, significant minority equity investment in insurance, financial and commercial entities.

2. Capital structure

Qualitative Disclosures

Bank regulatory capital consists of two components – Tier 1 capital and Tier 2 capital. Both components of capital provide support for banking operations and protect depositors. As per Reserve Bank of India (RBI) guidelines, the composition of capital instruments for foreign banks in India would include the following elements:

Tier 1 Capital:

- Interest-free funds received from Head Office
- Statutory reserves kept in Indian books
- Remittable surplus retained in Indian books which is not repatriable so long as the bank functions in India
- Capital Reserves
- Interest-free funds remitted from Head Office for acquisition of property

Tier 2 Capital:

General provisions and loss reserves:

General provisions and loss reserves can be reckoned up to a maximum of 1.25 per cent of the total Credit risk-weighted assets. Such provisions and reserves include provisions on Standard Assets, Country Risk Exposures, Unhedged Foreign Currency Exposures and Investment Reserve Account.

- Investment Fluctuation Reserve.
- Head Office borrowings in foreign currency raised by foreign banks operating in India classified as Subordinated Debt subject to a maximum ceiling
 of 50% of the Tier 1 capital maintained in India.

Quantitative Disclosures

| (a) | Tier 1 Capital | (Rs. '000s) |
|-----|---|-------------|
| | Amount Received from Head Office | 21,104,013 |
| | Amount of Capital infusion during the year | - |

| | Total amount outstanding | - |
| | of which amount raised during the current year | - |
| | Amount eligible to be reckoned as capital funds | - |
| | Total Tier 2 Capital (b) + (c) + (d) | 686,981 |

(Scheduled Commercial Bank)

- (e) Other deduction from capital. There are no other deductions from capital.
- (f) Total Eligible Capital
 - The total eligible capital is Rs. 22,247,920 ('000s)

DF 2. CAPITAL ADEQUACY

Qualitative Disclosures

The Bank has assessed its capital requirement taking into account the 3 main risks as defined by Pillar 1 of the Basel III norms viz: Credit Risk, Market Risk and Operational Risk. Credit Risk is computed using the Standardised Approach, Market Risk is calculated using the Standardised Duration Approach and Operational Risk is calculated using the Basic Indicator Approach. The risk computation under each of these 3 categories is adequately covered by the Capital of the Bank.

The Bank will assess its future capital requirement and the same will be documented in the ICAAP (Internal Capital Adequacy Assessment Process) based on the position as of March 31, 2023. The capital requirement will be re-assessed periodically.

The existing level of Capital is adequate to meet the Bank's current business requirements and the capital and CRAR ratio of the Bank is significantly higher than the minimum regulatory capital and ratio prescribed by the RBI. A summary of the Bank's capital requirement for credit, market and operational risk and the capital adequacy ratio as on 31st March 2023 is presented below:

| Quantitative Disclosures | (Rs. '000s) |
|---|-------------|
| (a) Capital Requirements for Credit Risk: | |
| Portfolios subject to Standardised Approach | 4,185,818 |
| Securitisation Exposures | - |
| (b) Capital Requirements for Market Risk: Standardised Duration Approach: | |
| Interest Rate Risk | 292,407 |
| Foreign Exchange risk (including Gold) | 140,652 |
| Equity Risk | - |
| (c) Capital Requirement for Operational Risk: | |
| Basic Indicator Approach | 277,607 |
| Total Capital Required | 4,896,484 |
| Total Eligible Capital | 22,247,920 |
| Total Risk Weighted Assets | 42,578,122 |
| Total Capital Ratio | 52.25% |
| Tier 1 Capital Ratio | 50.64% |

DF 3. CREDIT RISK: GENERAL DISCLOSURES

Qualitative Disclosures

Credit risk is defined as risk of financial loss arising from the failure of the customer or counterparty, to meet its contractual obligations to the Bank. It can arise from both funded and non-funded transactions that are contingent in nature.

Credit risk management approach is based on the foundation of independence and integrity of the credit risk assessment, management and reporting processes combined with clear policies, limits and approval structures. Standard procedures specific to businesses are set up to manage various risks across different business segments, products and portfolios.

The credit policy focuses on the core credit principles and details, specific policy guidelines, lending parameters, control and monitoring requirements, problem loan identification, management of high risk customers and provisioning.

Credit facilities are granted based on the detailed credit risk assessment of the counterparty. The assessment considers amongst other things the purpose of the facility, sources of re-payment, prevailing and potential macro-economic factors, industry trends, customers' credit worthiness and standing within the industry. The credit facility administration process is undertaken by an independent function to ensure proper execution of all credit approvals, maintenance, lodgment of documentation and proactive controls over maturities, expiry of limits and collaterals.

Operations are managed by independent units responsible for processing transactions in line with credit approvals and standard operating guidelines.

The internal rating models measure counterparty risk (expressed as a probability of default within one year). The risk on counterparty exposure on market transactions is measured by the guidance provided by the RBI.

The Bank has a well-defined process for identification of weaker credit risk exposures [classified as Early Alert (EA) as well as Non-Performing (NPA) Accounts] and dealing with them effectively. There are policies which govern classification and credit grading of EA & NPAs as well as interest suspension and provisioning, in line with RBI guidelines. Exposures are classified as NPAs (sub-standard, doubtful or loss) in line with RBI guidelines at the earlier of assessment of inability to repay or when interest or loan instalments, overdrafts and bills are overdue, out of order or remain unpaid respectively for 91 days.

There are internal caps on investment exposures, exposure to sensitive sectors, exposure to a single counterparty and groups of interconnected counterparties. There are also specific controls on exposures to banks and financial institutions, designed to ensure against excessive risk concentration. There is a specialized and centralized department at the Group Head Office for managing financial institutions.

Quantitative Disclosures

DF 4. CREDIT RISK:

DISCLOSURES FOR PORTFOLIOS SUBJECT TO THE STANDARDISED APPROACH

Qualitative Disclosures

The Bank follows the RBI guidelines on the use of external credit ratings for assigning risk weights under the standardised approach. Ratings of recognized Indian credit rating agencies are used for domestic non-bank entities while ratings from international rating agencies - Fitch, Moody's and Standard & Poor's – are considered for assigning risk weights for exposures to international banks and non-resident entities.

(Rs. '000s)

Amount outstanding under various risk buckets:

| | (|
|-----------------------------|---------------------|
| Particulars | As at 31 March 2023 |
| Below 100 % risk weight | 44,769,326 |
| 100 % risk weight | 3,420,415 |
| More than 100 % risk weight | 13,615,904 |
| Deducted | - |
| Total ** | 61,805,645 |

** The amount outstanding under various risk buckets excludes exposures to QCCP and are prior to credit risk mitigants. Derivative exposures are computed using Current Exposure Method (CEM).

DF 5. CREDIT RISK MITIGATION: DISCLOSURES FOR STANDARDISED APPROACHES:

Qualitative Disclosures

Collaterals and guarantees are effectively used as mitigating tools by the Bank. The quality of collateral is continuously monitored and assessed and the Bank seeks to ensure enforceability of the collateral. Major categories of collaterals include lien over cash / fixed deposits, pledge over securities, guarantees (corporate, bank and personal guarantees), mortgage over immovable properties, hypothecation of current assets, including receivables and inventory, and vehicles. Collateral and general economic condition. This enables the Bank to assess the fair market value of the collateral and ensure that risks are appropriately coverad. Security structures and legal covenants are also subject to regular review.

Eligible collateral for mitigation is as per RBI guidelines – cash, government securities, Kisan Vikas Patra and National Savings Certificates, life insurance policies, liquid / rated debt securities, and mutual fund units.

Quantitative Disclosures:

As on March 31, 2023, the total exposure covered by eligible financial collateral was Nil.

DF 6. SECURITISATION: DISCLOSURE FOR STANDARDISED APPROACH

The Bank has not undertaken any securitization transactions and does not have any securitization exposures.

DF 7. MARKET RISK IN TRADING BOOK

Qualitative Disclosures

Market risk is the risk that the value of financial instruments in the Bank's books – with the inclusion of some other financial assets and liabilities - will produce a loss because of changes in future market conditions. The Bank takes on risks in line with its strategic and business objectives. The Bank monitors and manages the following categories of market risk:

- Interest Rate Risk: losses in value due to changes in the level, slope and curvature of yield curves, the volatility of interest rates and changes in credit spreads;
- FX Risk: losses in value of exposures due to changes in spot prices, forward prices and volatilities of currency rates.

The Bank's risk exposures to market risk are segregated into Trading and Banking Books. The Trading Book includes those financial instruments held with trading intent arising from market-making, position-taking and other so designated financial instruments accounted for at fair value daily. Capital charge for market risk exposures in the Trading Book are considered under the Standardised Duration Approach.

Market Risk Oversight and Management Process

As part of the enterprise-wide risk management framework, a governance process is applied to the market risk taking activities which includes, inter alia:

- risk limits with appropriate monitoring, reporting and limits excesses' escalation procedures;
- independent valuation of financial instruments in the Trading Book and measurement of market risk;
- a comprehensive set of policies, procedures and limits; and
- monitoring a wide range of risk metrics appropriate for the respective trading activities such as risk sensitivities, stop loss limits, Net Open Positions and Value-at-Risk (VaR).

Experienced portfolio managers are accountable for managing market risk within the approved limits. The Bank uses appropriate and independently validated market standard models for the revaluation and risk measurement of its linear financial products and receives regular market information from independent market data providers in order to measure and monitor market risk.

(Scheduled Commercial Bank)

Value-at-Risk (VaR) is calculated daily using the following parameters

- Statistical level of confidence: 99%;
- Holding period: 1 business day;
- Methodology: Full Revaluation, Historical Simulation using over 2 years of historical market data.

Quantitative Disclosures

Capital requirements for market risk:

| (Rs.'000s) |

|---------|------------------------------|---------------------|
| Interes | t rate risk | 292,407 |
| Foreig | n exchange risk | 140,652 |
| Equity | risk | - |
| Capital | requirements for market risk | 433,059 |

DF 8. OPERATIONAL RISK:

Qualitative disclosures

Operational risk is defined as the risk of losses resulting from inadequate or failed internal processes, people and systems, or from external events. The Bank's objective is to prevent major operational risk losses and to protect the Bank against any material damage.

The Bank uses the Basic Indicator Approach to estimate operational risk RWAs and capital requirements. A framework for pro-actively managing operational risk has been established. The Bank has a holistic approach to systematically identify, assess and manage operational risks across different products, processes and client segments. Key tools / methodologies for the management of operational risk include:

- operational risk and control assessments;
- key controls assessment;
- setting and monitoring of key risk indicators;
- reporting and remediation of operational risk incidents;
- issues and action tracking; and
- new product and process approvals.

A comprehensive information security framework has been implemented to safeguard data and systems. Requisite policies and processes are in place to report and monitor fraud. The Bank obtains comprehensive and tailored insurance cover to protect the Bank against unexpected and substantial unforeseeable losses.

Business Continuity Management is defined as a holistic management process that identifies potential threats to an organisation and the impacts to business operations that those threats, if realised, might cause and which provides a framework for building organisational resilience with the capability for an effective response that safeguards the interests of its key stakeholders, reputation, brand and value-creating activities. The business continuity process across the Group is based on the international standard ISO22301: 2012(E). The Bank has developed a business continuity plan for each of its branches, including a pandemic plan and the alternate site is operational and is tested periodically.

DF 9. INTEREST RATE RISK IN THE BANKING BOOK (IRRBB)

Interest Rate Risk in the Banking Book ('IRRBB') is defined as the exposure of the non-trading products of the Bank to interest rates. Non-trading portfolios include all banking book positions that arise from the interest rate on the Bank's consumer and commercial banking assets and liabilities, and financial investments designated as held to maturity. IRRBB arises principally from mismatches between the future yields on assets and their funding costs, as a result of interest rate changes.

In order to manage this risk optimally, IRRBB is transferred to Group Markets & Treasury (GM&T) under the supervision of the ALCO. ALCO is required to regularly monitor all such interest rate risk positions to ensure they remain at acceptable levels and within limits.

For measuring overall interest sensitivity in the banking book, the Bank considers gaps in interest rate sensitive assets and liabilities in various buckets as well as the impact on Market Value of Equity and Earnings at Risk on a monthly basis.

Quantitative Disclosures

As required under Pillar III norms, the increase / (decline) in earnings and economic value for an upward / downward rate shock of 200 basis points as on 31 March 2023, broken down by currency is as follows:

| Earnings Perspective | | (Rs. '000s) |
|-----------------------------------|---------------------|-------------|
| Currency | Interest Rate Shock | |
| | 2% Increase | 2% Decrease |
| Rupees and other major currencies | (6,018) | 6,018 |
| US Dollar | 37,880 | (37,880) |
| conomic Value Perspective (Rs. 'C | | (Rs. '000s) |
| Currency | Interest Rate Shock | |
| | 2% Increase | 2% Decrease |
| Rupees and other major currencies | (73,671) | 73,671 |
| US Dollar | 29,022 | (29,022) |

(Scheduled Commercial Bank)

DF 10. GENERAL DISCLOSURE FOR EXPOSURES RELATED TO COUNTERPARTY CREDIT RISK

Qualitative disclosures

Counterparty Credit Risk (CCR) is the risk that the person or institution with whom the Bank has entered into a financial market contract – who is a counterparty to the contract – could either default or deteriorate in creditworthiness leading to a failure to perform on its contractual obligations, causing losses to the Bank.

The future market value of the exposure and the counterparty's credit quality are uncertain and may vary over time as underlying market variables change. CCR is a multidimensional form of risk, affected by both the exposure to counterparty and the credit quality of the counterparty, both of which are sensitive to market-induced changes.

For local regulatory and capital purposes, the credit equivalent amount of a market related off-balance sheet transaction is calculated using the current exposure method which is the sum of current credit exposure (positive mark-to-market) and potential future credit exposure (determined by multiplying the notional principal amount by the relevant add-on factor).

Settlement Risk arises when the Group, acting as a principal, exchanges securities with or makes cash payments to a counterparty on a value date and is unable to verify that payment or securities have been received in exchange until after it has paid or delivered its side of the transaction.

Counter-party credit risk exposures are required to be assessed and limits are to be approved as part of the usual credit submission and approval process.

Wrong Way Risk (WWR) arises when there is adverse (positive) correlation between a client's credit worthiness (probability of default) and the Bank's credit exposure to that client. WWR is generally discouraged and is required to be identified and specific approval obtained.

Quantitative disclosures

The outstanding balance as on 31st March 2023 of the derivative exposures calculated using Current Exposure Method (CEM) is provided below: (Rs.' 000s)

| Particulars | Notional Amounts | Current Exposure |
|--|------------------|------------------|
| Foreign Exchange contracts (including up to Spot maturities) | 51,326,228 | 1,497,429 |
| Interest Rate Swaps | - | - |
| Cross Currency Swaps | 16,357,000 | 1,669,386 |
| Total | 67,683,228 | 3,166,815 |

| Investment in Equities : Unquoted | - | - |

DF 17- SUMMARY COMPARISON OF ACCOUNTING ASSETS VS. LEVERAGE RATIO EXPOSURE MEASURE:

| | Item | (Rs. '000) |
|---|--|------------|
| 1 | Total consolidated assets as per published financial statements | 63,093,833 |
| 2 | Adjustment for investments in banking, financial, insurance or commercial entities that are consolidated for accounting purposes but outside the scope of regulatory consolidation | - |
| 3 | Adjustment for fiduciary assets recognized on the balance sheet pursuant to the operative accounting framework but excluded from the leverage ratio exposure measure | - |
| 4 | Adjustments for derivative financial instruments | 3,004,865 |
| 5 | Adjustment for securities financing transactions (i.e. repos and similar secured lending) | 1,883,501 |
| 6 | Adjustment for off-balance sheet items (i.e. conversion to credit equivalent amounts of off- balance sheet exposures) | 12,699,846 |
| 7 | Other adjustments | 92,634 |
| 8 | Leverage ratio exposure | 80,774,679 |

DF 18. LEVERAGE RATIO COMMON DISCLOSURE TEMPLATE:

| | Item | (Rs. '000) |
|----|--|--------------|
| | On-balance sheet exposures | |
| 1 | On-balance sheet items (excluding derivatives and SFTs, but including collateral) | 63,304,238 |
| 2 | (Asset amounts deducted in determining Basel III Tier 1 capital) | (279,721) |
| 3 | Total on-balance sheet exposures (excluding derivatives and SFTs) (sum of lines 1 and 2) | 63,024,517 |
| | Derivative exposures | |
| 4 | Replacement cost associated with all derivatives transactions (i.e. net of eligible cash variation margin) | 161,950 |
| 5 | Add-on amounts for PFE associated with all derivatives transactions | 3,004,865 |
| 6 | Gross-up for derivatives collateral provided where deducted from the balance sheet assets pursuant to the operative accounting framework | - |
| 7 | (Deductions of receivables assets for cash variation margin provided in derivatives transactions) | - |
| 8 | (Exempted CCP leg of client-cleared trade exposures) | - |
| 9 | Adjusted effective notional amount of written credit derivatives | - |
| 10 | (Adjusted effective notional offsets and add-on deductions for written credit derivatives) | - |
| 11 | Total derivative exposures (sum of lines 4 to 10) | 3,166,815 |
| | Securities financing transaction exposures | |
| 12 | Gross SFT assets (with no recognition of netting), after adjusting for sale accounting transactions | 1,880,000 |
| 13 | (Netted amounts of cash payables and cash receivables of gross SFT assets) | - |
| 14 | CCR exposure for SFT assets | 3,501 |
| 15 | Agent transaction exposures | - |
| 16 | Total securities financing transaction exposures (sum of lines 12 to 15) | 1,883,501 |
| | Other off-balance sheet exposures | |
| 17 | Off-balance sheet exposure at gross notional amount | 32,390,346 |
| 18 | (Adjustments for conversion to credit equivalent amounts) | (19,690,500) |
| 19 | Off-balance sheet items (sum of lines 17 and 18) | 12,699,846 |
| | Capital and total exposures | |
| 20 | Tier 1 capital | 21,560,939 |
| 21 | Total exposures (sum of lines 3, 11, 16 and 19) | 80,774,679 |
| | Leverage ratio | |
| 22 | Basel III leverage ratio | 26.69 |
